Texas and beyond**

According to SHMR, one-quarter of American employees admit to feeling more distracted at work because of financial worries, (2010).

Forming sound financial habits is a **vital** component of a productive workforce. But who can you trust to deliver these services?

## Vital can help you build a stronger workforce.

Organized in 1984, Consumer Credit Counseling Service of Greater San Antonio (CCCSSA) offers our Vital Financial Wellness services designed to handle your employees' financial needs. Vital's certified counseling and educational services can positively impact employee morale, turnover and stress reduction.

The Vital Team is composed of certified, consumer credit counselors who combine their knowledge and expertise to provide non-judgmental, reliable guidance in confidential sessions, in-person, by phone or on the Internet. Services are available in English and Spanish; translation for the deaf is also available upon request.

Whether offering short-term counseling or instructing a group, Vital Financial Wellness Services provide your employees with current and relevant financial updates, targeted to their specific needs.

## Vital Financial Services Q&A:

- Q. Who can use Vital services?**
- A.** The service is available to your employees, their household members and dependents 18 years+.
- Q. What type of services do they provide?**
- A.** Areas of expertise include budgeting, bankruptcy, credit, debt management, foreclosure prevention, identity theft resolution and student loan repayment counseling.
- Q. When can your employees call for financial advice?**
- A.** Vital counselors are available during regular business hours. Employees may call anytime day or night, leave a message, and someone will get back to them the next business day.
- Q. How often can your employees call?**
- A.** Your employees have unlimited access to our certified consumer counselors.
- Q. Do you have a minimum debt level to receive assistance?**
- A.** No. Help is available to your employees regardless of their financial situation.

## Vital Financial Wellness Educational Classes:

Vital financial classes are available in classroom settings and online. Classes are taught by our knowledgeable educational team. Participants are provided specifically designed materials that support each financial topic.

Employees who utilize the full-range of our Vital counseling and educational services are given the guidance, knowledge and tools they need to become financially savvy.
